

# EMERGENCY PREPAREDNESS

1. First Aid merit badge.
2. Tell what you would do to prevent injury and possible loss of life to yourself and others in each of the following emergencies;

Fire or explosion at home and in a public building:

Car stalled in blizzard or desert:

Motor vehicle accident:

Mountain accident:

Food poisoning:

Boating accident:

**Search for lost person:**

**Gas leak:**

**Flood:**

**Tornado:**

**Avalanche:**

**3. Tell how you could safely save a person from the following:**

**Touching a live electric wire:**

**A room with carbon monoxide or other fumes or smoke:**

**Clothes on fire:**

**Drowning using non-swimming rescues (including ice accidents):**

- 4. Describe the things a group of Scouts should be prepared to do, the training needed, and the safety precautions to be taken for the following emergency service:**

**Crowd or traffic control:**

**Messenger service and communication:**

**Collection and distribution services:**

**Group feeding, shelter and sanitation:**

5. Take part in a practice emergency service project – I will do this with you. You will need to have a Fort Collins map (not the one in the phone book) in order to complete this requirement.
  
6. Describe three ways of attracting and communicating with rescue planes:
  
  
  
  
  
  
  
  
  
  
7. Show a good way to move an injured person out of a remote and rugged area, conserving the energy of the rescuers.
  
  
  
  
  
  
  
  
  
  
8. Prepare a written plan for mobilizing your troop when needed to do emergency service:

Describe your part in a troop mobilization:

Show the personal “emergency pack” which you have prepared to be ready for a mobilization call. It should include the following: poncho or raincoat, change of underwear and socks, small toiletries bag with contents, area map, rope, Scout knife, cook kit and canteen, flashlight, work gloves, personal first aid kit, matches, pencil and small notebook, compass, watch.

Describe what should be in your family emergency evacuation kit if it were needed.

9. Be able to demonstrate the following knots:

Sheet bend

Clove hitch

Sheepshank

Timber hitch

Taut-line hitch

Square knot

Bowline

Bowline on a bight

Be able to coil and accurately throw 50 feet of line.
