HOME BAKED Cookie Contest after the Court of Honor

We are going to have milk and cookies for refreshment after the Court of Honor. We are also going to find out which patrol can make the best cookies.

Each patrol should bring 1.5 gallons of milk, 8 dozen HOME BAKED COOKIES, 30 cups and 30 napkins.

These cookies must be made by the scouts, although they can have some guidance from adults. The cookies can be made from the same recipe or multiple recipes, but each recipe must be kept separate. When you arrive, place your cookies on the table next to a piece of paper with the name of your cookie recipe. Write your patrol name on the back of this paper.

During the contest everyone will sample cookies, select their favorite, and then vote for their favorite cookie recipe by writing their name on the sheet where their favorites came from. When everyone is done voting we will count up the votes and determine which patrol is the winner.
