Information and Permission Form

All scouts and adults are welcome to come join me and help complete my Eagle Project on May 12th for the City of Fort Collins Natural Areas. You may sign up to work either from 9:00am to 12:00pm, 12:00pm to 4:00pm or work all day. If you choose to work all day, I will provide you a lunch. The project will involve protection of Poudre River natural areas from beavers. Work will include removing chicken wire from trees and painting new trees with a beaver repelling sand/paint mixture. Please be at the Natural Areas Office at the beginning of your shift at 1745 Hoffman Mill Rd.

All participants must bring a permission slip and a water bottle. It is recommended you also bring work gloves. Make sure you dress appropriately for the weather and location. We will be working in the natural areas along the Poudre River off trails. Sunscreen would also be a good idea. I look forward to seeing you at my project!

If you would like to work but did not sign up, call or email me and let me know you are coming.

If you have any questions, contact John Heikes by phone at 232-6691 or by email at spl@troop188.org

John Heikes' Eagle Project

Saturday May 12, 2007

The meeting location for my Eagle Project will be at the Fort Collins Natural Areas Office at 1745 Hoffman Mill Rd. Please arrive at least 5 min. BEFORE your shift starts. We may be car-pooling from the natural areas office to another location. Make sure you bring a permission slip, full water bottle, work gloves if you have them, and wear sunscreen. Short pants probably are NOT a good idea because we will be working off of trails.

IF YOU WORK THE ALL DAY SHIFT, I WILL FEED YOU LUNCH!
