- a. New Trailer is at Cargill. Temp tags right now, registration will come to Rich Nash and he will need to pick up the plates. Needs side walls and a rear gate. Kerry will recruit a work team to get going on the project.
- b. Leader Training / Troop training – Rich will send out the form to everyone
- c. Patrol Boxes – Frank has the raw boxes. Frank and Kerry are working on door and leg designs. After doing a patrol box inventory, some stuff purchased in January is already missing. Troop pays for general list, but patrol needs to purchase consumables (except Propane). A few stoves are broken or missing parts. Troop will restock as part of setting up new patrol boxes and put inspections in place to prevent future losses.
- d. Missing Tents: Still missing tents that have not been returned. Need parents to clean out their garage.
- e. Troopmaster.net discussion about how many people should have ability to write the database. General consensus is that fewer people will work better. Something like 4 or 5 adults to write the database. Read access will be maintained on a need-to-know basis. Craig will be Master and regularly bring his laptop with the latest snapshot from Troopmaster.net.

#### 10. Roundtable

- a. Old Troop flag is missing. Terry has seen it somewhere lately, but unsure.
- b. Troop will purchase a Colorado flag. Frank will buy one with fringe.
- c. Canada canoe trip is reserved for 3 crews of 6-8 people for Summer 2006. Date is July 8<sup>th</sup> through 23<sup>rd</sup> to give 9 days on the water and travel time each way. More info coming in July and deposits to be collected in August.
- d. Need to update signatures at Council.
- e. Scoutmaster minute about getting lost as a Scout
- f. Heikes established group mail aliases for all Adults and committee. Will setup mail aliases for Oregon trip and others.
